

Mai!

Scary
....

So you
ran all
the way
to such a
place
huh,

A
breather!?

What
happens if
your
popularity
fell because
of your
thoughtless
actions!!

Yesterday's filming
was canceled, did
you know how many
people you've
troubled?!

Hyahaha, I
planned to
have a
short
breather
that's all
aya

Ehe, you're
so cute
Houjou-san

You're a
girl
afterall!!!
What if
you get
into
trouble!!!

Anyway,
Houjou-san it's
about time you
return to
work-mode

I'm sorry to
trouble you
Ishiguro-kun

No it's
fine...

And
so

Hirose-san, everyone.
I'm sorry for all the
troubles my worker
has caused you!

Let's just leave
Hirose here and
go home

Listen to me
will youuuuu

Serves
you
right...

Ah, sure

Thanks
class rep.

Hayamine
wouldn't
let me
copy
hers'

Fu-----

Hirase?

About what
you said
earlier

As the duty of a
class rep, I'd like to
ask more about the
incident

Hmm?

So it's true?

It's
everyone's
ultimate
dream ya
know...

I'll be
heading to
the toilet
for a bit...

Is it about
me meeting
with Mai-chan?

You sure you
wanna hear--
Hayamine!

?

Say Hayamine, is this the last of the things we need to buy?

Even class rep was weird just now...

Is it just me or

Ah...

Hayamine seem a bit distant?

Ah....
fish
right...
fish...

What do you mean by weird... speaking of experience didn't you also...!

Then it must be a super weird face right?

Kissed Sayuri-san!!?

T-That is...

So that counts!!

Well, I did but...

Erk...

But you kissed Hasegawa Mai-chan!!

It was with a girl, plus it's an accident so it doesn't count!

If you say that then I also...

If it's not with
Hayamine it
doesn't count!!

of...

Of
course!

Does
that
mean

You
want to
kiss me?

Fufu...
this is
payback
